OUR ASSET MANAGEMENT JOURNEY

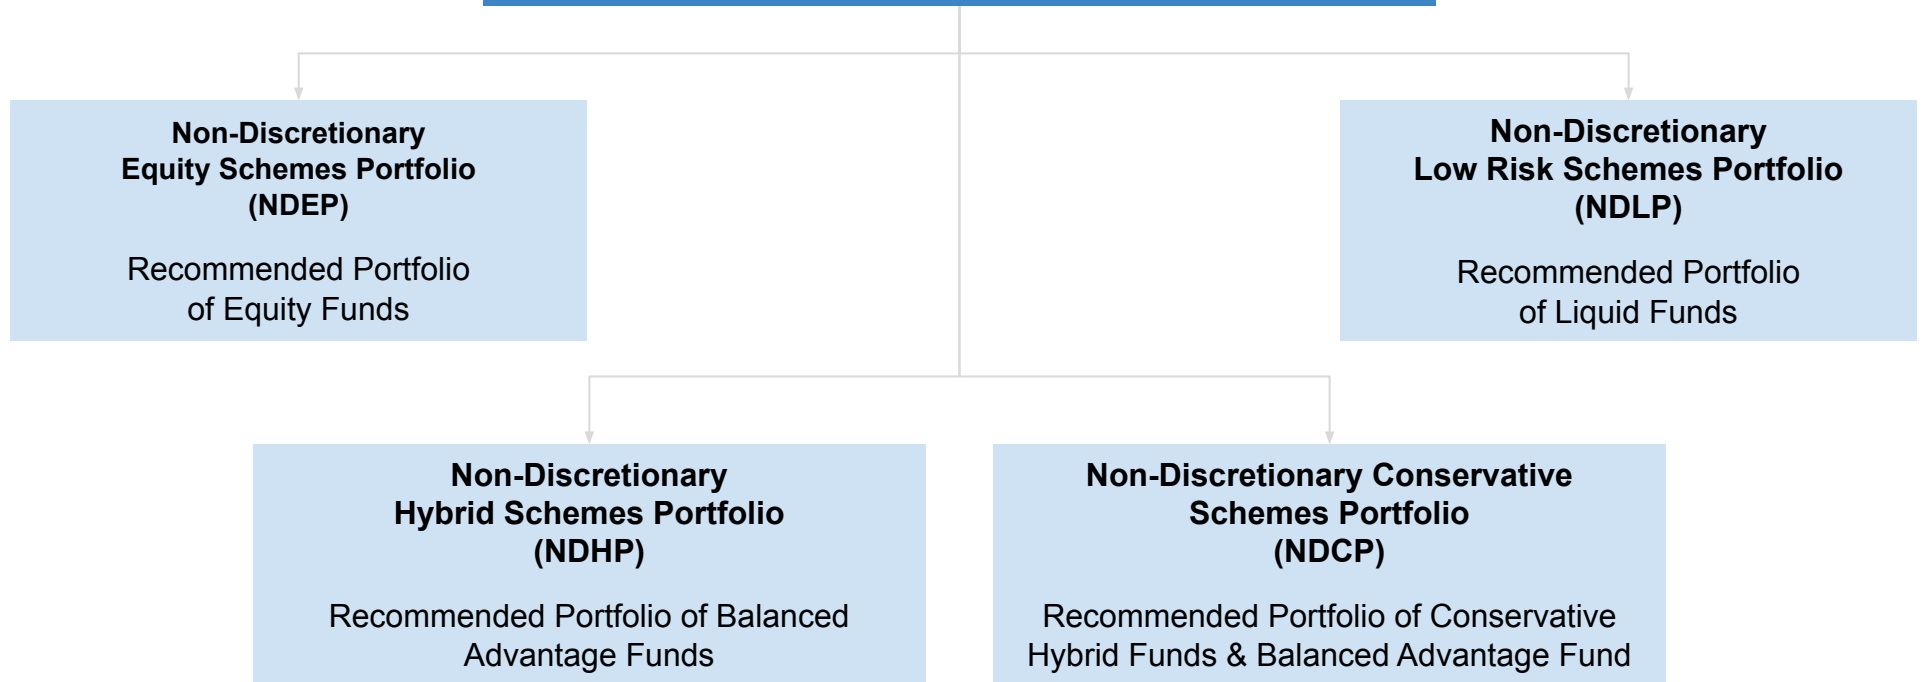

NJ PMS is different on all the above parameters.

- NDPMS is a relatively low-cost form of portfolio management where the portfolio manager acts primarily in an advisory capacity and executes investors' trades
- Final investment decision is taken by the investor
- Investors will have the flexibility to invest across **Direct Plans of Mutual Fund schemes*** offered by different fund houses
- Investors can choose to invest in the **NJ recommended portfolios** or **100% customised portfolios**
- **Index Mutual Funds** are also available as part of the NJ NDPMS offerings
- 100% Online **Rebalancing utility** is now available on NJ NDPMS.
- 100% Online **Partial and Full Redemption** utility is also now available on NJ NDPMS.

**Investors will not be able to invest in overseas Fund of Funds, and Solution Oriented Funds
Only Growth Option of Mutual Fund Schemes will be available for investment*

NJ NDPMS OFFERINGS

*Investors will not be able to invest in overseas Fund of Funds, and Solution Oriented Funds
